Thame Museum, which opened in 2007, is an independent museum staffed entirely by volunteers. It is housed in the old Court House where it provides a variety of display panels, artefacts and oral histories

telling the story of this historic town and its people. In addition to the permanent galleries the museum has a programme of entertaining and informative exhibitions and talks. Facilities for local history and family history research are also available.

The Museum shop stocks a good range of items of local interest.

There is full wheelchair access to all areas. Pushchairs are welcome.

School visits welcome

Please contact the Education Officer at education@thamemuseum.org for details on school activities

The trust welcomes the support of new members who share an interest in the history of our town.

There are many opportunities to help with the running of the museum. Please ask at the desk for information about volunteering.

Thame Museum is an Accredited Museum under the MLA scheme.
